**Mature Herefordshire Cheddar:** A classic, simple and tasty cheddar that is aged traditionally for up to 10 months.

**French Brie:** Subtle and creamy with a natural straw like colour, with its edible rind softening as it matures over time. A great well known soft cheese.

**Dorset Red:** This smoked cheese made exclusively with milk from cows that graze the lush pastures of West Dorset, it has an enticing amber colour, encased in a rich red rind which gradually develops as it is smoked over natural chippings.

**Derby White Stilton and Apricot:** The added fruit provides a sweet note to this classic stilton cheese base, whilst retaining the original creamy and crumbly texture known well to stilton.

**Worcester Sauce and Shallot:** Worcester Gold premium cheddar is used as the base, from Croome Cuisine, with the addition of the world famous savoury piquant sauce and sweet shallots to deliver a tangy and moorish cheese that is first class.
