From our farm to your breakfast

We have a real commitment to reducing food miles, complete confidence in where our food comes from, and use the best of local suppliers. Our very own farm, which we've called St Catherine's, is only 4 miles from The Angel, and is home to our family of rarebreed British Lop Pigs. They provide all of the free range pork that we need throughout the year. What we can't source ourselves we source from the best of local.

Gluten-free sausages and toast available on request. Please inform a member of staff of any allergies. Allergen charts available on request. Our kitchen handles nuts and all dishes may contain traces of nuts.
